ABOUT ME

I'm a Front End Web Developer and is passionate about transforming designs into an interactive, responsive and user friendly website. I'm always up for a challenge for professional growth as well as learning and sharing creative ideas with like minded people.

WORK EXPERIENCE

11/2020 – CURRENT – Philippines

Web Developer Intern (Remote)

UrClassroom Community Corporation Inc

Currently a Web Developer intern. My ongoing project is to build a static web site utilizing HTML5, CSS3, Bootstrap and some JavaScript.
